

community quality of life, providing for fitness, recreation, libraries, sports and athletic programs. DoD considers MWR programs as critical to mission readiness and productivity—these programs contribute to physical fitness and recruitment and retention of personnel.

In addition, civilian employees and their families are allowed access as a perk of their employee benefit package. Other groups, such as the Scouts of America, can also utilize the lands by getting special permission. In contrast, most of the over 2 million disabled veterans (rated 0% to 90% disabled) are currently deemed not disabled enough to be considered a patron of MWR. My bill, H.R. 1917, would fix that!

A third bill, H.R. 1918, would extend commissary and exchange store privileges to service-disabled veterans with a rating of 30% or more and their families. Congress must do all we reasonably can for the men and women in uniform who have become disabled in service to our nation. Our disabled veterans are important members of a greater military family, and they should be treated as such with every available opportunity.

I believe that changing these policies—use of military recreational lands, transportation on military aircraft, and commissary privileges—are the right steps to take for our disabled veterans! They have sacrificed their health and well-being for their country, and I believe that they have earned the right to these privileges. Please join with me by co-sponsoring these three bills and working for their passage.

A TRIBUTE TO ROBESON COUNTY CELEBRATION OF FLIGHT

HON. MIKE MCINTYRE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 8, 2003

Mr. MCINTYRE. Mr. Speaker, it is with great pleasure that I rise today to salute the Robeson County Celebration of Flight celebration from May 14–May 18, 2003. The Lumberton Municipal Airport will host this special event that acknowledges and honors the 100-year celebration of the feat of Wilbur and Orville Wright.

Charles F. Kettering once said, “The Wright Brothers flew right through the smoke screen of impossibility.” On December 17, 1903, at Kill Devil Hills near Kitty Hawk, North Carolina, the Wright Brothers manned the first-ever controlled, powered flight, and their optimism of achieving the impossible became our reality. And this reality has truly opened the world for all to see.

In honor of this historical event, The Robeson Aeronautical Foundation, Inc. and the Lumberton Municipal Airport have organized special events to celebrate this monumental feat. For three days, the Lumberton Municipal Airport will host school children from throughout the region. These children will be able to view a variety of exhibits highlighting the importance of sport aviation, the role of aviation in the military, and the history of aviation in the region. The celebration will culminate with a two-day air show featuring some of the best displays of aeronautical skill in the world.

My fellow colleagues please join me in saluting the Robeson County Celebration of Flight organizers for their time, energy, and re-

sources in planning for this event. May God's blessings shine upon them and all that they have done, and may God bless this special celebration.
